Sir:

PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 CFR 1.137(B)

Applicant hereby petitions the USPTO for revival of the subject application. Applicants contend that the failure to respond to the outstanding Office Action was unintentional since Applicants never received the Office Action. Applicants believe that the Office Action crossed in the mail with notice of Address Change sent to the USPTO on 3/20/02. The Office Action was mailed to an old address and Applicants believe it was not forwarded by the post office. A docket showing that the Office Action was not received is attached. Therefore, Applicants respectfully request that the application be revived.

Applicants herewith enclose a response to the outstanding Office Action.

AMENDMENT

Applicants affirm the election of claims 1-17 with traverse. Applicants believe that the claims can be readily searched together and hence should be maintained in one application since a search directed to the catalysts should uncover uses for that catalyst as well.

IN THE SPECIFICATION

Please replace "Docket No. 33737" with "--USSN 09/654,183" on page four third paragraph.
